Our all-inclusive stays at this remarkable resort have consistently received outstanding feedback. We are pleased to offer this experience once again.

The Bryant family's hospitality is exemplary, ensuring every guest feels welcome and valued at the Shamrock Lodge. Guests will enjoy hearty meals and attentive, friendly service. The lodge and its beautiful surroundings are available for our group to savour.

Explore the grounds, relax by the lake, participate in recreational activities, swim in the indoor pool, or enjoy a game of shuffleboard at your leisure.

The resort also provides scenic pontoon boat tours on Lake Rosseau, departing directly from its private dock.

Shamrock Lodge features lakeside dining, breathtaking water views from your balcony or patio, and traditional Muskoka waterfront accommodations. The setting is truly spectacular. If weather permits, we hope to enjoy lakeside bonfires in the evenings.

This location serves as an ideal base for exploring the Muskoka Lakes region.

We will embark on scenic drives throughout the Muskoka Lakes, stopping to appreciate the unique towns and picturesque views and maybe a little shopping. An afternoon cruise aboard the Lady Rosseau from Port Carling promises a memorable experience, offering a relaxing and enjoyable afternoon on the water.
